

## 2015 Lakeview District Family of the Year Award

The family is an important part of Scouting. Family support for each youth is vital to his or her success in Scouting. Those parents who volunteer as leaders are a vital support to the youth in Scouting, as well as their own children. The extra effort that parents put forth as leaders, in addition to their family responsibilities, deserve to be recognized. But when the whole family is involved in Scouting, they deserve recognition all the more.

The Family of the Year Award is a way to honor these families by selecting, from those nominated, the family who's work as a team in Scouting has made the greatest difference in their communities. One family from the Cub Scout program, one family from the Boy Scout program, and one at-large family will be selected to receive the Family of the Year Award, for a possibility of three (3) awards.
